

תרחיש a: כניסת עובד חדש לתפקיד  
על המנהל כוח אדם להתחבר למערכת

לאחר מכן, עליו לבחור באפשרות המתאימה: "Add an employee"

להזין את פרטי העובד שאותו הוא יוצר

A screenshot of a web application window titled "Add an employee". The window contains a list of labels for employee information: "Employee ID:", "Employee Name:", "Bank Account Number:", "Salary:", "Terms of Employment:", "Employment Date (dd-mm-yyyy):", "Family Status:", "Is the employee a student?:", and "Password:". To the right of these labels is a vertical stack of ten empty text input fields. An orange rectangular box highlights the entire stack of input fields. At the bottom left of the form, there are two buttons: "Done" and "Back".

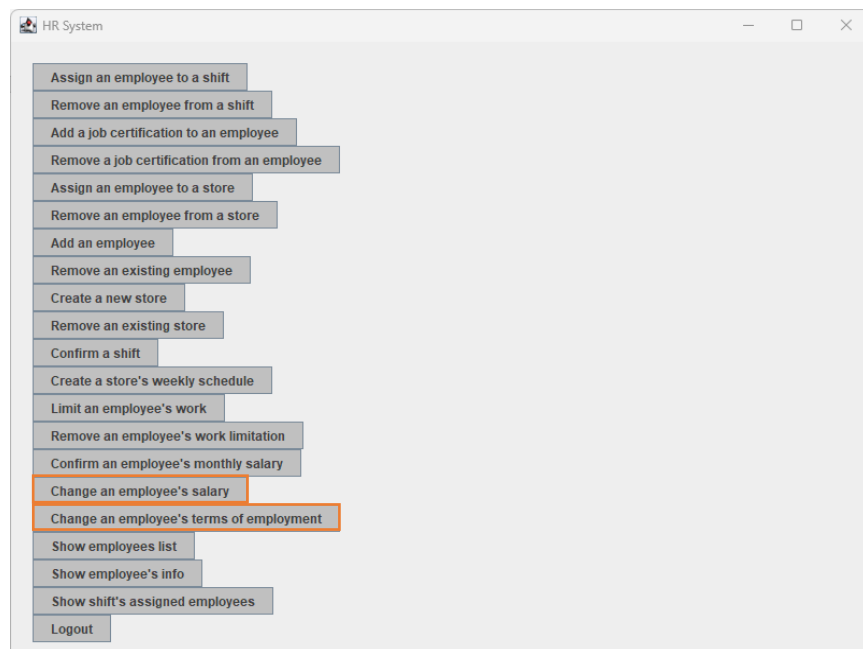

וללחוץ "Done"

A second screenshot of the same "Add an employee" form. In this view, the orange rectangular box is now positioned around the "Done" button at the bottom left of the form, indicating the next step in the process. The input fields remain empty and are no longer highlighted.

תרחיש b1: עדכון פרטי עובד קיים  
על המנהל כוח אדם להתחבר למערכת

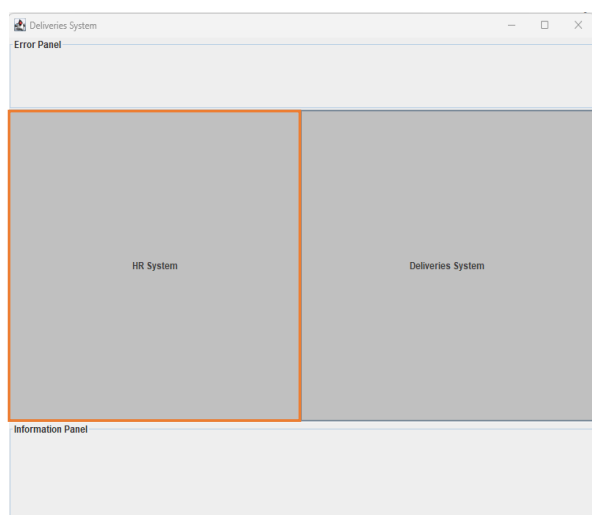

לאחר מכן המנהל צריך לבחור איזה פרטים הוא מעוניין לעדכן  
(שכר / תנאי העסקה)

ולהזין את הפרטים הרלוונטיים

The first screenshot shows a window titled "Change an employee's salary". It contains three input fields: "Employee ID:", "Old Salary:", and "New Salary:". Below these fields are two buttons: "Done" and "Back". The second screenshot shows a window titled "Change an employee's terms of employment". It contains two input fields: "Employee ID:" and "Terms of Employment:". Below these fields are two buttons: "Done" and "Back".

תרחיש b2: עדכון זמינות למשמרות  
על העובד להתחבר למערכת

The screenshot shows a "Login" window. It has a title bar with the word "Login" and standard window controls. Below the title bar are two input fields: "ID:" and "Password:". Below these fields is a "Login" button.

לאחר מכן העובד צריך לבחור האם הוא מעוניין להוסיף זמינות / להסיר זמינות מהמערכת

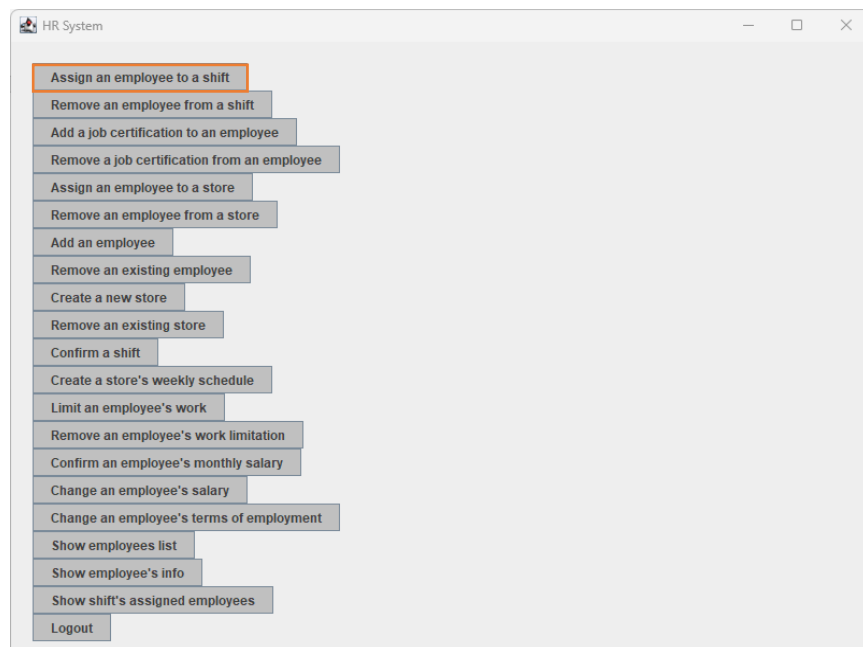

ולהזין את הפרטים הרלוונטיים

A screenshot of a web application window titled "Add an availability". It contains three text input fields: "Shift's Date (dd-mm-yyyy):", "Shift's Type (morning / evening):", and "store / 'drivers':". The "store / 'drivers':" field is highlighted with an orange rectangular box. Below the input fields are two buttons: "Done" and "Back". The "Done" button is highlighted with an orange rectangular box.A screenshot of a web application window titled "Remove an availability". It contains three text input fields: "Shift's Date (dd-mm-yyyy):", "Shift's Type (morning / evening):", and "store / 'drivers':". The "store / 'drivers':" field is highlighted with an orange rectangular box. Below the input fields are two buttons: "Done" and "Back". The "Done" button is highlighted with an orange rectangular box.

תרחיש g: שיבוץ עובדים למשמרות  
על המנהל כוח אדם להתחבר למערכת

לאחר מכן המנהל צריך לבחור את האופציה הרלוונטית:  
"Assign an employee to a shift"

ולהזין את הפרטים הרלוונטיים:

Assign an employee to a shift

Employee ID:

Shift's Date (dd-mm-yyyy):

Shift's Type (morning / evening):

store / "drivers":

Role:

Done

Back
